

INDIA'S LARGEST MULTICHAIN HACKATHON

online

24 JUN - 24 JUL '24

/ WHAT IS HACKON?

HISTORY

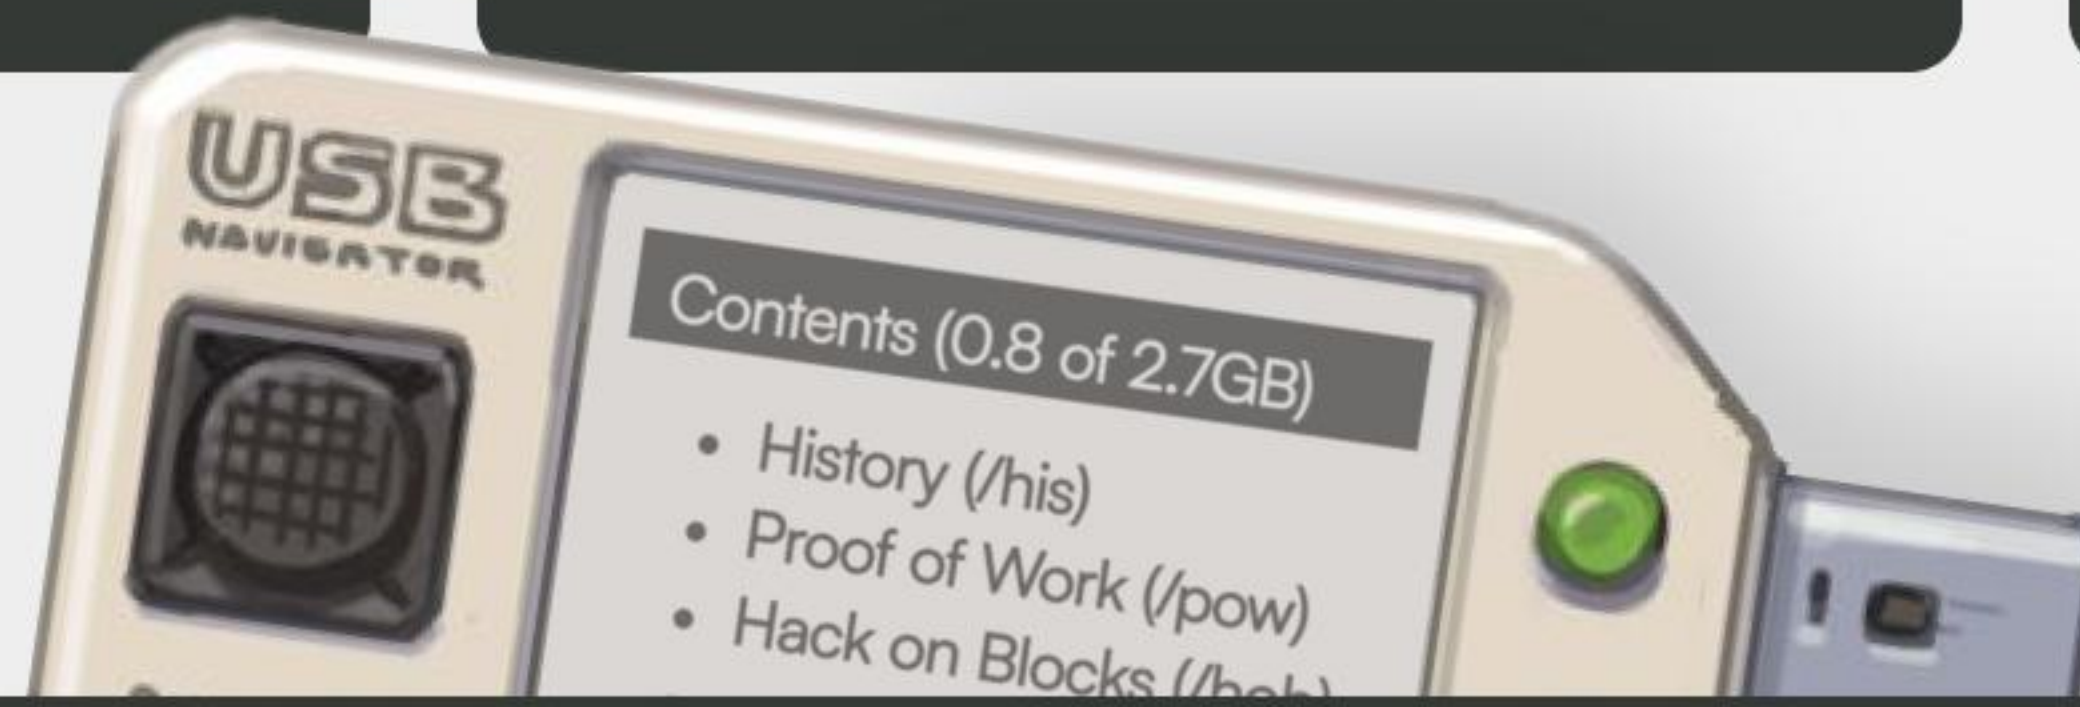

In 2020, we launched HackOn, India's first virtual hackathon, in response to the boredom of homebound hackers eager to #BUILD. It was a hit, attracting 3,000 sign-ups and over 100 project submissions nationwide.

PROOF OF WORK

In 2021, HackOn's second edition focused on diversity and inclusion to highlight their importance in communities. This theme resonated widely, drawing over 8,000 registrants and yielding 350+ projects in a week, setting a new record as India's largest hackathon.

HACK ON BLOCKS

The upcoming edition of HackOn focuses on recent exciting developments across the ecosystem from DeFi to NFTs, to let hackers be part of the #BUIDL revolution for a decentralized future.

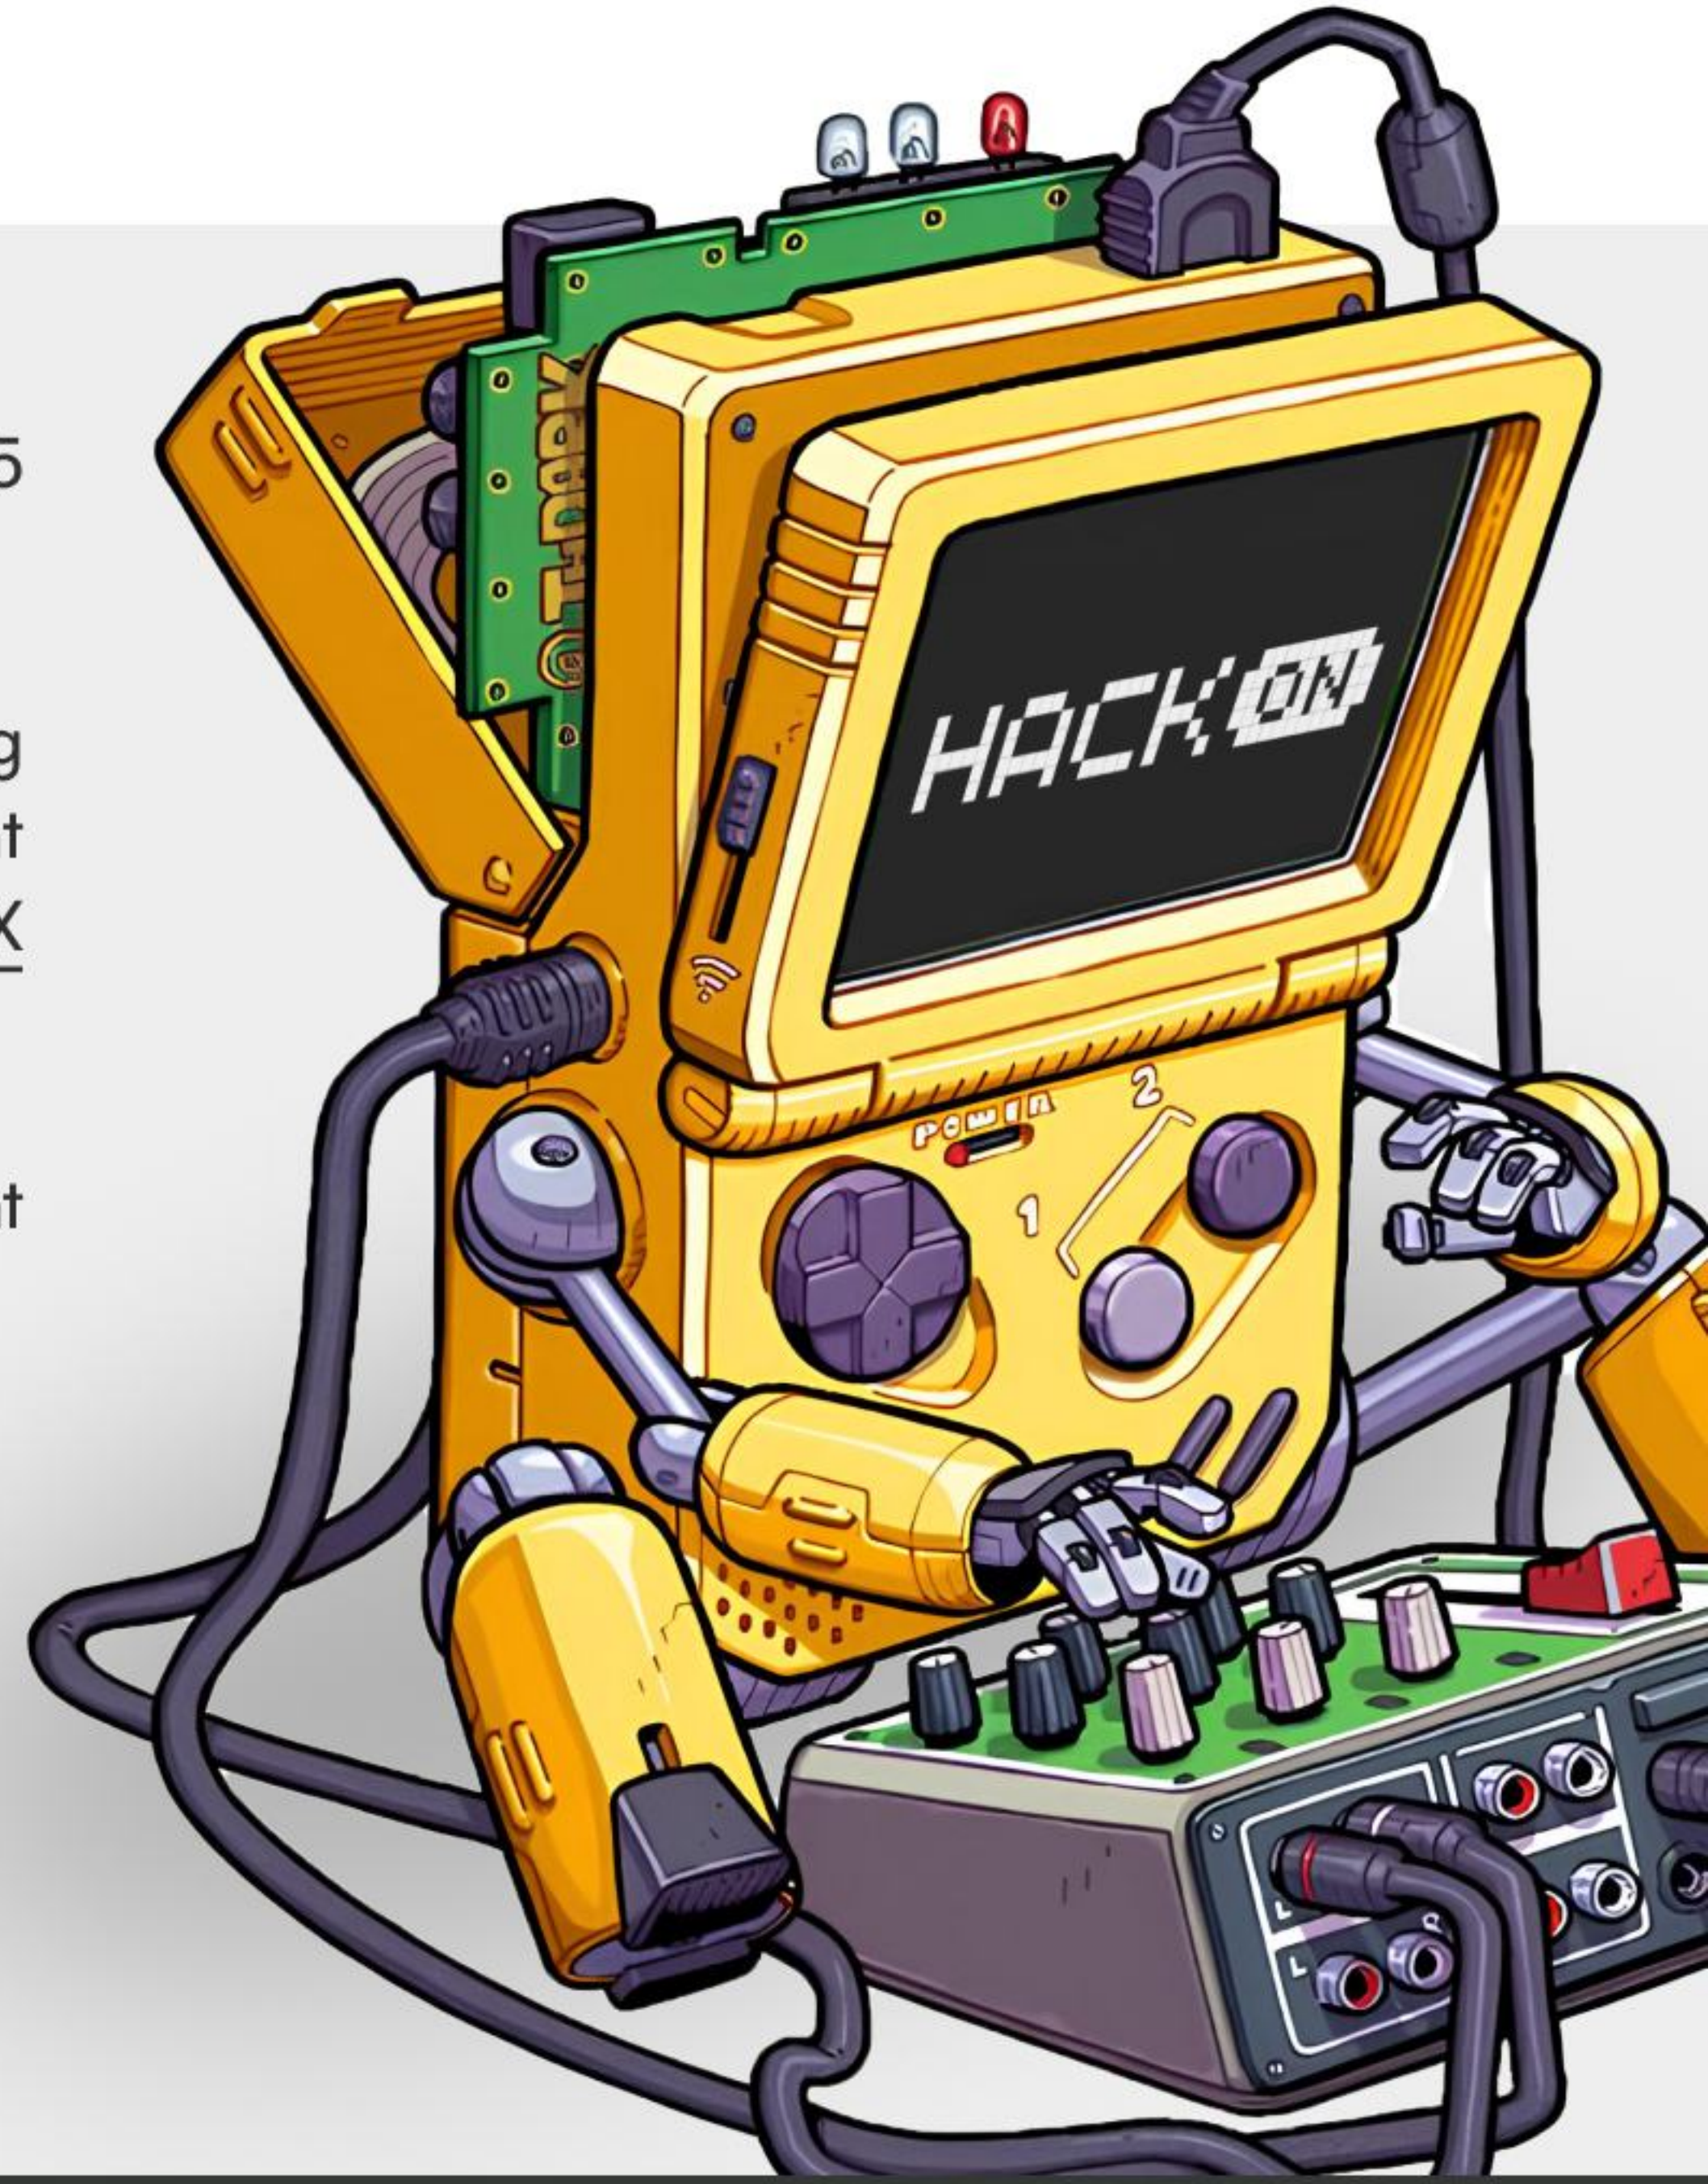

THE ORGANIZERS

Rishabh and **Keith** have organized multiple hackathons for more than 5 years, both online and offline.

We have supported and partnered with hackathons globally, providing marketing, event management, operations, and hackathon management support. We have supported with hackathons like ETHIndia, CoinDCX Unfold, Etherials, and more.

Our goal has been to empower builders to become founders, believing that winning a hackathon is just the beginning of their journey.

OFFLINE MEETUPS (INDIA)

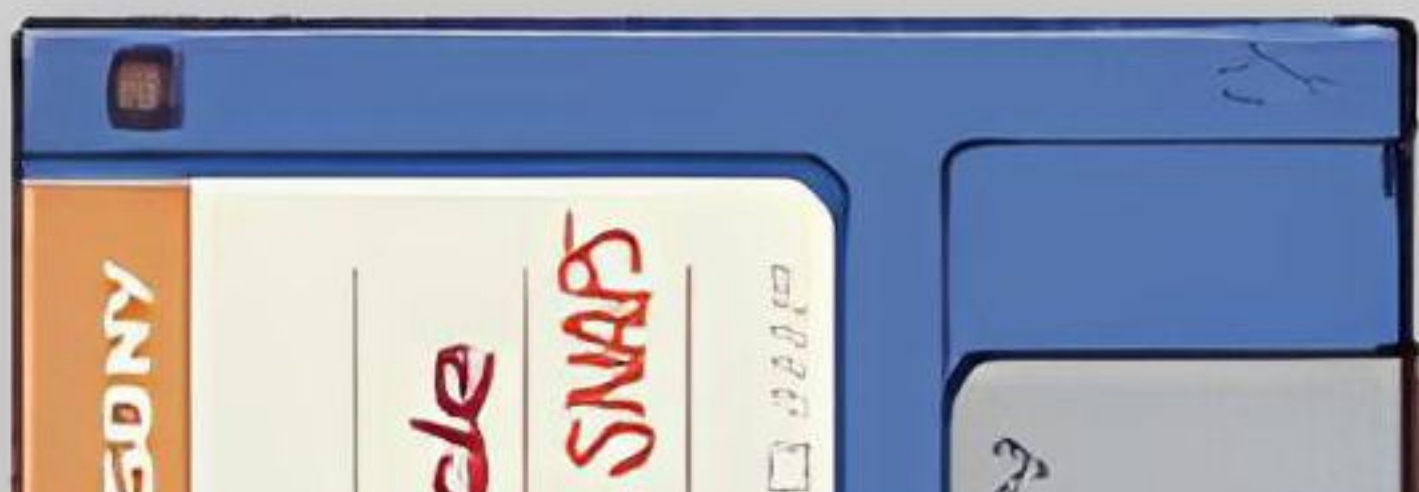

We are planning to host 10—15 offline meetups across India both before and during the hackathon. These meetups are designed to spread awareness about the hackathon, foster connections among participants, and assist them in brainstorming projects they'd like to develop. As a partner, you have the opportunity to conduct a workshop at these meetups, which can be an excellent platform to introduce attendees to your product and its benefits.

Pricing: ₹10000 / Meetup

INFLUENCER MARKETING

We've partnered with over 60 influencers who have a strong online presence across major platforms, including Twitter, YouTube, Instagram, and LinkedIn. These influencers are well-established in their respective niches and can significantly amplify your promotional campaigns, helping you reach a broader and more engaged audience effectively.

Pricing: ON DEMAND
